

CHAINSAW CHAMPIONSHIP ASTURFORESTA'21

Monte Armayán de Tineo, 19th June 2021

This Championship will be governed by the rules of the WORLD CHAMPIONSHIP OF THE INTERNATIONAL ASSOCIATION "IALC".

Asturforesta'21 will take place between 17th and 19th June 2021 in Monte Armayán de Tineo and in parallel, during the days of celebration, the MOTORCYCLE OPEN will be organised.

The maximum number of participants will be 20, once this number has been reached, registrations will be closed.

The competition will take place on Saturday 19 June 2021, at the following timetable:

- 10.00 a.m. to 11.30 a.m. – Test 1, 2 and 3.
- 12.30 a.m. to 1.00 p.m. – Test 4
- 1.30 p.m. to 2.00 p.m. - Test 5 and awards ceremony

The tests will be the same as in the World Championship, and are as follows:

1.- CHANGE OF CHAIN:

This consists of changing a chain and turning the sword around in the shortest possible time and penalising possible small cuts in the hands. After the change, the participant will not be able to touch the machine until the next test (normally this is done in a row).

2.- PRECISION CUTTING:

This involves cutting a log horizontally and on the ground with the edges full of sawdust (3cm), adjusting the cut as much as possible without touching the ground, also penalising any error of the previous test (chain slackening, loss of nut, etc...).

3.- ASCENDING AND DESCENDING CUT:

In some trunks with a certain inclination and some painted lines, a cut must be

made in each one of them starting from the bottom upwards and then making the cut from the top downwards, always measuring and scoring the worst of the two wheels.

4.- LIMBING:

This is to remove all the branches of an artificial tree (so that it is the same number of branches, same diameter, same distance and same positions), penalizing the branches that protrude more than 0.5 mm or that enter the chain more than 0.5 mm (among other things).

5.- FELLING:

Simulation of the felling of a tree by directing it to a specific point marked with stakes, scoring the cutting angles, effectiveness and aim.

In tests 1, 2 and 3 all registered participants will take part, from these a part of the participants will be eliminated, in test 4, another part will be eliminated and in test 5 the Champion will be known.

THE CHAMPION will have the opportunity to occupy one of the places for the next world championship with the Spanish national team, which will be held in BELGRADE - SERBIA from 7th to 11th September 2022.

The established prizes are:

1st - 700,00 €, trophy, STIHL X-Vent BT forestry helmet and a place for the world championship.

2nd - 600.00 €, trophy, STIHL chronograph

3rd - 500,00 €, trophy, gift, shearing set

The gifts have been donated by Ovalle Bosque and Jardín de Tineo.

All participants will be able to train at the place where the Open will be held on the days before the Open, i.e. Thursday 17th and Friday 18th.

The use of full PPE will be compulsory and random breathalyser tests will be carried out. If a participant is found to be positive, he/she will be automatically disqualified.

Each participant will be responsible for their own actions, the organisation declining any responsibility derived from the negligence of the participants.
